## About Us

**Radha Krishna Bricks** is a young and ambitious company dedicated to manufacturing designer and versatile bricks in innovative ways.

Albeit small, we believe we are an integral part of our society, closely interacting with our customers to provide strong foundation along with new shapes, shades, textures and designs for the structures they wish to build.

We always consider the impact we have on nature and operate in an eco-friendly manner.

At **RKBI**, we put our customers first. We believe they deserve – finesse and style with a touch of durability.

We believe in Providing for Satisfaction.
